

LEGAL BENEFIT

Use your legal benefit. If you are considering closing on property or wishing to draw up a will, now is a good time to make an appointment with our lawyer, Mike Heffernan, of Mirkin & Gordon.

You may use the legal benefit for any civil matter. You may also consult with a lawyer on any matter.

Make an appointment by calling (914) 997-1576. Identify yourself as a member of the Byram Hills Teacher's Association Benefit Fund and ask to set up an appointment with Mike Heffernan.

Appointments meet in the conference room at HCC. With a few exceptions, appointments are scheduled for the third Tuesday of each month.

We have many members who have used this benefit. Ask them about their experience.
